**Bay Metropolitan Transportation Authority Millage Renewal**

Shall the limitation of the amount of property taxes which may be levied each year against property in the County of Bay be increased by .75 of a mill (75 cents per one thousand dollars) on the taxable valuation of real and personal property situated in the County of Bay for a period of five (5) years, 2011 through 2015, inclusive, the said millage to be used exclusively for the continued operation of the Bay Metropolitan Transportation Authority? (This is a renewal of the .75 of a mill previously approved by the voters that expires in 2010.) If approved and levied, the estimated revenue during the first year of the millage would be \$2,220,197.

**Senior Citizens Millage Renewal**

Shall the limitation of the amount of property taxes which may be levied each year upon all taxable real and personal property in Bay County be renewed at .50 of a mill (50¢ per \$1,000 of taxable value) for a period of 6 years, 2010 through 2015 inclusive, for the continued operation of Senior Citizens' programs in Bay County? This is a renewal of .50 of a mill approved by the voters in 2006 that expired in 2009. (This millage will raise estimated revenues of \$1,479,276 in the first year of the levy).

**911 Central Dispatch Millage Renewal**

Shall the limitation of the amount of property taxes which may be levied each year upon all taxable real and personal property in Bay County be renewed at .70 of a mill (70¢ per \$1,000 of taxable value) for a period of 6 years, 2010 through 2015 inclusive, for the continued operation of Bay County 9-1-1 Central Dispatch? This is a renewal of .70 of a mill approved by the voters in 2006 that expired in 2009. (This millage will raise estimated revenues of \$2,070,987 in the first year of the levy).

**Road Millage Proposal**

Shall the previously voted increase in the tax limitation imposed under Article IX, Section 6, of the Michigan Constitution, in Beaver Township, Bay County, Michigan, of 2.0 mills (\$2.00 per \$1,000.00 of taxable value) be renewed at the original voted 2.0 mills and levied for five (5) years, December 1, 2011 through December 1, 2015, inclusive, for the purpose of raising revenues for the maintenance and improvement of public roads in Beaver Township, raising an estimated \$150,000.00 in the first year the millage is levied?

(The existing road millage has been reduced to 1.9576 mills by the required Headlee millage rollback. If this millage renewal is approved, it will result in the levy of the original road millage and will recover the full amount of the originally voted 2.0 mills without the Headlee rollback reduction which is currently in force.)

**Freeland Community School District Operating Millage Renewal Proposal**

This proposal will allow the school district to continue to levy the statutory rate of 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance.

Shall the limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Freeland Community School District, Saginaw, Midland and Bay Counties, Michigan, be increased by 18 mills (\$18.00 on each \$1,000 of taxable valuation) for a period of 4 years, 2010 to 2013, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and levied in 2010 is approximately \$1,212,829 (this is a renewal of millage which expired with the 2009 tax levy)?

**Standish Sterling Community Schools Operating Millage Renewal Proposal**

This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance.
