Basic Health Services Millage Proposal

Shall the limitation of the amount of property taxes which may be assessed each year against all taxable real and personal property in Bay County be increased by not more than .67 mill (67¢ per \$1,000 of taxable valuation) as new additional millage for a period of 8 years, 2008 through 2015, inclusive, or until altered by the voters of the County, to provide funds to be used by the County for a basic health services delivery system for the prevention and treatment of health problems of uninsured and underinsured residents of the County? It is estimated that .67 mill would raise about \$2,053,759 when first levied in 2008.
