

DOG AND KENNEL LICENSE PROGRAM

The County Treasurer's Office manages the dog and kennel license program. Our office sells licenses year-round, along with Bay County Animal Control, all of our Cities and Townships, and many of our local Vet Offices. The fees for animal licenses for 2013 are \$8.00 for a one year spayed or neutered animal; \$20 for a three year spayed or neutered animal; \$24 for a one year male or female animal and \$60 for a three male or female animal. There is a additional \$20 delinquent fee added if the license is purchased late. Bay County animal licenses are issued according to the rabies expiration date. An example would be if the animal was vaccinated in July of 2013 with a three year rabies shot, the owner would have the choice of purchasing a one year or three year license which would expire in either July 2014 or July 2016. Purchasing a three year license has a small price break over purchasing a one year.
