Palliative Care Series Program

sponsored by: Southern Care Hospice

Canteen Activity Center, will be extending an invitation to Southern Care to speak on Palliative Care after a serious diagnosis. Palliative Care is a multidisciplinary approach to specialized medical and nursing care for people with life limiting illnesses. It focuses on providing people with relief from the symptoms, pain, physical stress, and mental stress of the terminal diagnosis. This valuable information is a tool for knowledge if an when this program is needed. Four different topics will be discussed at each series.

We welcome the 60 plus population for this educational session.
